

Directory of Participating Kansas Delta Dental Premier Dentists

Because Delta Dental's participating dentist network is always expanding and changing, this directory is subject to change. To verify current participation for a specific dentist, ask your dentist prior to your visit if he/she participates with Delta Dental, visit our website at deltadentalks.com, or call our customer service department at 316-264-4511 or toll free at 1-800-234-3375.

As a Delta Dental subscriber, you are free to obtain treatment from any licensed dentist of your choice; however, there may be a difference in the amount of payment which will be made by Delta Dental if the dentist chosen is not a participating provider with Delta Dental at the time services are performed. In addition, if you go to a non-participating dentist, you will receive applicable coverage payment directly, and you will be responsible for all additional charges from the dentist. (Please refer to your Description of Dental Care Coverage booklet for additional information.)

If you require information about participating dentists in the Kansas City, Missouri metro area, please visit our website or contact our customer service department.
