Mission Statement

The mission of the Mulvane Public Schools is to prepare all students with academic and life skills while respecting the diverse social, educational, and cultural characteristics of each individual student.

District Core Values

Based on a foundation of:

- *Respectful, positive relationships
- *Safe learning environments
- *Competent, knowledgeable staff
- *Appropriate social skills and citizenship
- *Professionalism with integrity
- *Open and honest communication

Purpose

This handbook was prepared to provide, in written form, USD 263 administrative policies, procedures, and practices pertaining to employees as defined in this handbook. The handbook has been written in order that uniform conditions of employment and the benefits received by building principals, directors and others as defined in this handbook, which have been accumulated over the years, might be more clearly defined and understood by Board of Education members, employees, staff, and patrons of the district.

The board may adopt new policies and delete or modify existing policies.

The provisions of this handbook apply to the positions of Superintendent, Assistant Superintendent, and Director of Special Education other than provisions of the contract that are independently negotiated with the Board of Education. These provisions could include salary, benefits, leave, and other items defined through that process listed on a separate Addendum.

SECTION II. Administrative Personnel

Personnel

The board will employ such administrative personnel as the needs of the district require. The superintendent will develop appropriate job descriptions for each administrative position in the district. When adopted by the board, such documents shall be filed in the central office.

The board will solicit the recommendations of the superintendent in the appointment, assignment, transfer, demotion, termination, or non-renewal of any administrative personnel. The board may take actions on any of these matters.

Recruitment

The board delegates to the superintendent the authority to identify and recommend the appointment of qualified individuals to fill vacant positions. All applicants will be screened initially by the superintendent who may use other staff members to assist him/her, and who shall then make recommendations to the board. The board reserves the right to interview recommended candidates and may reject any and all recommendations.

Assignment or Transfer

Assignment of administrative personnel shall be recommended by the superintendent subject to approval of the board.

Orientation

The superintendent will conduct an appropriate administrative orientation program designed to acquaint such personnel with the district, board policies, duties and responsibilities, and other such activities as time and the needs of the district require.

Loyalty Oath

As required by K.S.A. 54-106 and K.S.A. 75-4308, all employees shall sign a loyalty oath, and file the oath with the clerk of the board before beginning employment and to be eligible for a paycheck.

Supervision

The superintendent or designated representative shall be responsible for the supervision of all administrative personnel. The organizational leadership will communicate utilizing the districts chain of command.

Time Schedule

Administrative time schedules and workloads will be dictated by the terms of the employment contract or work agreement and by assigned responsibilities.

Part-Time Administrators

The board may employ part-time administrators as the needs of the district dictate.

Administrative Intern Program

The board may cooperate with any approved administrative training institution in the establishment and maintenance of an administrative intern program.

Calendar

The board shall establish a school calendar for each school year.

Administrative Calendar

Principals will refer to the districts calendar for 12 and 10 ½ month contracts.

Directors will refer to the director calendar for 12 and 10 ½ month work calendar.

Legal Action

In the event of legal action against an administrator of the district, the provisions of the Tort Claims Act (K.S.A. Article 61) will prevail.

PTO Scheduling

1. To the extent possible, PTO is to be requested and approved by the superintendent in advance. In most cases, one (1) week of advanced notice will be sufficient. Generally, 12 month administrators should schedule PTO when school is not in session. No more than five consecutive PTO days should be taken during a school year.

2. The superintendent reserves the right to deny PTO requests which may have an adverse affect on the operation of the school or cancel previously approved PTO requests if unexpected circumstances arise which require the administrator's attendance at work.

3. In the event of illness or emergency preventing the administrator from requesting PTO in advance, the administrator must notify the superintendent no later than the start of the school day and explain the need for unscheduled time off. In such cases, the superintendent will assess the need and urgency for unscheduled time off in relation to the needs and either approve the time off or direct the administrator to report for work. In the event of illness or emergency preventing the administrator from reporting to work for periods exceeding one (1) day, the administrator must contact the superintendent each subsequent day no later than the start of the school day unless the superintendent indicates there is no need to do so.

The District will maintain a PTO account and track the beginning balance, current balance, accruals, and usage on a school year basis.

PTO Usage During Worker's Compensation Leave

Administrators will use PTO for absences from work due to a work related injury until payments under worker's compensation begin.

Employees may draw against the entire balance credited to their account in July with the stipulation that any PTO taken but not earned prior to separation will be deducted from the employee's last paycheck.

Employee's hired after July will be advanced a pro-rated PTO balance at the time of hire based on the number of months remaining in the calendar year.

PTO Account Balance and Carry Forward Limits

As noted above, the District will maintain a PTO account and track the beginning balance, current balance, accruals, and usage on a school year basis. Limits are imposed on the amount of PTO that can be maintained as a balance and on the amount of PTO that can be carried forward from one school year to the next.

For 10 1/2 month administrators unused account balances at the conclusion of the annual contract up to 10 days may be carried forward to the next school year. Unused account balances up to 10 days can be sold back for \$100 per day.
