Shuttle Fees

The Mulvane School District is one of only two districts in the state that offer a shuttle service. The shuttle fee will continue this school year.

All families that have students that ride the shuttle buses will be required to purchase a shuttle pass for their child or children according to the fee structure illustrated.

Families that have students that ride solely in the morning or afternoon will be able to purchase a bus pass for each child accordingly.

Families with students that ride in both the morning and afternoon will be able to purchase a multi-pass for each child. Families with students that only ride every once in a while will also be able to purchase this pass.

Families that have four or more students that ride the shuttle both morning and afternoon will be able to purchase a one time pass good for the whole family.

Students that are assigned to a route bus and ride the shuttle from the high school to the route buses in the afternoon will not be required to purchase a shuttle pass.

Shuttle fees will be collected at enrollment by the transportation department representative at the transportation table and each family will be handed their shuttle passes within the first few weeks of school. All fees will be required to be paid by September 1st. Students will be given several free replacement passes upon the loss of a pass, then be charged for passes after those have been lost. Students without a pass will be allowed on the shuttle and parents will be contacted as soon as possible to arrange payment. There will be NO refunds of shuttle fees for any reason.

| Shuttle Fees | Annual Fee | Pass Color |
|------------------------------|------------|------------|
| AM Shuttle Students | \$15 | Yellow |
| PM Shuttle Students | \$15 | Blue |
| Multi Pass Shuttle Students | \$25 | Green |
| Family Pass Shuttle Students | \$100 | Green |

ACTIVITY PASSES

Activity passes for the school year are available at MHS and MMS. Prices are: Family Pass \$75.00, Individual Pass \$40.00, Sr. Citizen (age 60-69) Pass \$20.00, Golden Pass (age 70 +) Free

SCHOOL PHYSICALS

MMS & MHS Students participating in school sports must have a physical signed by a doctor on file in the Athletic Director's office. A student cannot practice or try out without one.

SITE COUNCIL

The purpose of the school site council is to advise the school on such matters as student learning, education programs, school improvement planning, and accreditation issues. The site council also plays an advocacy role for the school regarding the same issues. Specifically, the purpose is to:

- Provide advice and counsel to the school in developing, implementing, and evaluating school performance goals and objectives.
 - Provide ongoing support for the students and staff of the school.
- If you are interested in serving on a site council, please contact the respective building principal. Forms are available in the District Office @ 628 E. Mulvane St.

TITLE 1 INFORMATION

In accordance with new federal guidelines, we are pleased to report to parents all the teachers in our Title 1 Buildings (Munson Primary & Mulvane Grade School) have met all state qualifications and certification criteria for the grade levels and subjects taught. Under the new guidelines, parents may request information on the professional qualifications of their child's teacher. Information may include certification and state qualifications, the teacher's degree major and other degrees held, and whether their child is provided services by a paraprofessional, and if so, their qualifications. Please contact your child's Principal or the Superintendent of Schools if you should have any questions.

T.A.P.E.

(Teachers and Parents for Education)

The purpose of T.A.P.E. is to allow Principals, Teachers, and Parents to provide help, encouragement, and support for the students at Munson Primary School and Mulvane Grade School. T.A.P.E. helps students in Pre-K through 5th grade to have the best school experience possible.

T.A.P.E. serves the students and their families in a variety of ways each year. A few examples are: Wildcat T-Shirt design contest and sales, Scholastic Book Fairs, fundraising for both MPS and MGS to purchase new technology and equipment for the schools, coordinating and raising funds through the General Mills Box Tops for Education Program, Reindeer Lane Gift Shop, organizing and distributing the school directory, publishing the school yearbook and more!

If you would like to become a member, you can sign up at enrollment or at any T.A.P.E. meeting. Membership forms are also available in the office. The membership cost is free. T.A.P.E. meetings are held the first Thursday of every month in the school libraries (Sept.-Dec. at MPS and Jan.-Jun. at the MGS. Find out more about T.A.P.E. by visiting www.mulvanetape.blogspot.com or on Facebook at Mulvane T.A.P.E.

MULVANE HIGH SCHOOL BOOSTER CLUB

Mulvane High School Booster Club supports academic and service activities as well as sports. Some of the activities/events we help with are: Technical/robotics, play/musicals, and scholarship funds.

The Booster Club raises funds with our membership drive, sports dinners, clothing sales and concession stands/gates. The amount of money we raise determines the amount we are able to give in scholarships and to MHS Organizations. In order for MHS Booster Club to continue to be successful, we need your help. Dues are \$10.00, \$25.00, or \$50.00 (depending on the level you join) and they are important, but volunteer support is also needed. Please complete a membership form at the time of enrollment. If you have any questions, please contact an officer.

PARENTS AS TEACHERS PROGRAM

Mulvane Parents as Teachers is a free year-round program open to all USD 263 families with children birth to 3 years old. We also serve families who are expecting children, with our prenatal program. We offer personal home visits, group meetings and play groups, community networking, screenings, and a resource center. We have PAT brochures and monthly calendars available at the public library and in several businesses around town. If you would like more information, please call 777-0151, ext. 744 or contact Debbie White, dwhite@usd263.k12.ks.us.

Our district's PAT program serves Mulvane children and their parents, because children are born to learn and parents are their child's best first teachers!

REDUCED PRICE & FREE SCHOOL MEALS ARE AVAILABLE AT MULVANE USD #263

Mulvane USD #263 participates in the Child Nutrition Program administered by the Kansas State Department of Education. Application forms are available at each school building and the district office. During these tough economic times, we encourage you to fill out an application to see if your student qualifies for this program. All applications are treated confidentially. Mulvane USD #263 wants to give each student the opportunity to have a nutritious breakfast and/or lunch.

IMMUNIZATION NOTICE

State law requires that all students have proper vaccinations, or they will not be allowed to enter or continue in school. Each student enrolled in the Mulvane Public Schools must file an immunization (KCI) form signed by a physician or local Health Department official. All students entering Mulvane Public Schools must have completed the full series of required immunizations and a health assessment form in order to enroll in school. Students who have not completed the required inoculations may enroll if a physician or local health department certifies that the child has received the most recent appropriate inoculation in the required series. The required series consists of:

- Diphtheria, Tetanus, Pertussis (DTaP): Five doses required. The Tdap booster is required at 11 years of age if more than 2 years since previous dose.
- Oral Polio (OPV): Four doses required. The last dose of the OPV inoculations must have been received after the fourth birthday.
- MMR (Measles, Mumps, Rubella): Two doses; state mandate requires student to have a total of two.
- A tetanus booster is required ten years after the last DPT.
- A Varicella (Chicken Pox) or proof of prior varicella disease must be provided.
- Hep B (Hepatitis B): Three doses required for children less than 5 years of age in early childhood programs.
- PCV7 (Pneumococcal Conjugate): 4 doses required for children less than 5 years of age in early childhood programs.
- Hep A (Hepatitis A): Two doses required for children less than 5 years of age in early childhood programs.

Medical or religious exemptions are the only legal alternatives allowed by the state and must be filed with the school annually.

Children who are exempt from immunizations will be excluded from school in the event of an outbreak or suspected case of vaccine preventable disease.

KIDCARE CONNECTIONS

Kid Care Connection is a state licensed child care service for school-age children - ages 5-12. Our mission is to provide quality and convenient childcare to your school-age children at a competitive value.

The fee for service is based on weekly contracts. Our license stipulates the number of children we can care for based on the size of the space, the site director's qualifications, and staff to child ratio. Consequently, we do not allow drop ins without prior arrangements to ensure license compliance. Our tuition schedule is as follows:

| Contract: | A.M. Only 6:30-8:00 | P.M. Only 3:15-6:00 | A.M. P.M. |
|----------------------|------------------------|------------------------|--------------|
| 1 - 2 Days | \$19.00 | \$19.00 | \$36.00 |
| 3 - 5 Days | \$24.00 | \$34.00 | \$56.00 |
| Wednesday Late Start | | | \$7.00 |
| Inservice Days | | | \$10.00 |

There is a \$10 registration fee for each child to utilize our services. In addition, we charge a one time \$25 activity fee per family to help establish an inventory of supplies for the year. For more information, contact Holly at: 316-944-6434 or 619-4278.

Lawn Watering Conservation Tips:

Experts estimate that 50 percent of the water we use outdoors goes to waste from evaporation or runoff due to overwatering.

Step on it: Grass doesn't always need water just because its hot out. Step on the lawn, and if grass springs back, then it doesn't need water. An inexpensive soil moisture sensor can also show the amount of moisture at the plant's roots and discourage overwatering.

Time is right: It's best to water lawns and landscapes in the early morning and late evening because significant amounts of water can be lost due to evaporation at other times of day. Check with your local utility to find out what times are best for your region.

Tune your system: Inspect irrigation systems and check for leaks and broken or clogged sprinkler heads. Fix sprinkler heads that are broken or spraying on the street or driveway.

Play zone defense: Assign areas of your landscape different zones depending on sun/shade exposure, soil and plant types, and type of sprinklers, and then adjust your irrigation systems or watering schedule based on those zones.

Give your hose a break: Sweep driveways, sidewalks, and steps rather than hosing them off. And don't forget to check for leaks at your spigot connection and tighten as necessary.

Leave it long: Raise your lawn mower blade. Longer grass promotes deeper root growth, resulting in a more drought resistant lawn, reduced evaporation, and fewer weeds.

City Utility Bills: Payment online now available. Go to the City website and click Online Payment on the sidebar. Payment is due by the 5th of each month in order to avoid the late penalty. Bills paid after the 5th are subject to a 5% penalty. Bills must be paid by the 19th of each month in order to avoid being disconnected. Please attach your utility bill stub to your payment to insure you receive proper credit to your bill. For after hours utility service, please call the Mulvane Police Dept. Dispatcher at 777-4262.

City Council Meetings: First and third Mondays of each month at city hall at 211 N. 2nd at 7:30 p.m. Public welcome. Council members are Mayor Jim Ford, Joe Johnson, Jenean Keck, Doug Hatfield, Terry Richardson and Shelly Steadman.
