MULVANE PTO

The mission of the Mulvane PTO is to enrich the educational experiences of the students at Munson Primary (MPS) and the Mulvane Grade School (MGS); to nurture relationships and cooperation between parents and educators; foster community involvement, volunteerism, respect, teamwork and acceptance of others, through our events, programs, and activities; to raise funds to provide additional equipment, educational programs, and other special services for the students; strive to be models of good character and to uphold the core values of the Mulvane School District.

The Mulvane PTO is a non-profit organization whose free membership includes all parents and/or legal guardians of enrolled students and staff of MPS and MGS.

PTO serves the students and their families in a variety of ways each year. A few examples are: Movie Night for students and families, providing meals for teachers during conferences, fundraising to purchase new technology and equipment, class parties, raising funds through General Mills Box Tops for Education Programs and more.

If you would like to volunteer, please fill out a volunteer survey at Back-to-School Night. Volunteer forms are also available in the office.

Find out more about Mulvane PTO by visiting www.mulvaneppto.com or on Facebook at Mulvane PTO. Questions can be answered by contacting mulvaneppto@yahoo.com.

Volunteers are also needed. Please complete a membership form at the time of enrollment. If you have any questions or would like to volunteer, please contact an officer at: mhsboosterclub@live.com.

PARENTS AS TEACHERS PROGRAM

Mulvane Parents as Teachers is a free year-round program open to USD 263 families with children birth to 3 years old who meet program requirements. We also serve families who are expecting children, with our prenatal program. We offer personal home visits, group meetings and play groups, community networking, screenings, and a resource center. We have PAT brochures and monthly calendars available at the public library and in several businesses around town. If you would like more information, please call 777-0151 and ask for Deana Waltrip or contact Kim McGuire, kmcguire@usd263.org

Our district's PAT program serves Mulvane children and their parents, because children are born to learn and parents are their child's best first teachers!

SITE COUNCIL

The purpose of the school site council is to advise the school on such matters as student learning, education programs, school improvement planning, and accreditation issues. The site council also plays an advocacy role for the school regarding the same issues. Specifically, the purpose is to:

- Provide advice and counsel to the school in developing, implementing, and evaluating school performance goals and objectives.
- Provide ongoing support for the students and staff of the school.

If you are interested in serving on a site council, please contact the respective building principal. Forms are available in the District Office @ 628 E. Mulvane St.

TITLE 1 INFORMATION

Professional qualifications include:
