

Wichita Alumnae Panhellenic 2017 Scholarship Information

For Graduating Senior Women from Area High Schools

Scholarship Overview

Wichita Alumnae Panhellenic scholarships are designed to encourage young women to investigate sorority life. The Wichita Alumnae Panhellenic, consisting of alumnae members from women's Greek organizations, would like to present these scholarships to young women interested in joining sororities at the college of their choice. Sorority membership is open to all young women regardless of race, creed, color or religious preference. Scholarships will be awarded to young women who are outstanding in academics, leadership, service, and activities. This year, three \$1,000 scholarships will be awarded.

Application Scoring

The priority areas of interest; scholarship, leadership, service and special interest/activities, are scored independently and equally. Include freshman year for a total of four years of involvement. Please provide information specifically as requested in each area, rather than attaching a resume only. If selected as a finalist, a personal interview will be scheduled on Saturday, March 3, 2018.

Eligibility

Scholarship awards will be considered for applicants graduating from high school in spring 2018 and entering college in the fall of 2018. Membership into a NPC sorority required.

Application Submission and Deadline

Please make sure to submit a complete application. An academic transcript of the last seven semesters should be attached to the application submission. Applications must be postmarked by Saturday, January 29, 2018 and mailed to:
