

BILL *of* RIGHTS INSTITUTE

Teresa,

The deadline for our We the Students Essay Contest is less than a month away so please remind your students to submit their essays as soon as possible.

We don't want your students to miss out on an opportunity to win one of fifteen scholarships including a \$5,000 First Prize.

We are especially excited about this year's contest because we are asking students to personalize their essays by telling us what citizenship looks like in their communities in 21st century America.

Please visit the [website](#) for the full list of rules and regulations and the application portal.
