**Subject:** FW: Tool Scholarship for Metalworking Students

Hi all!!

Hope you are having a great week. The team at Travers Tool is proud to announce a new scholarship. They will award \$1250 in related fields. They specifically list welding but I believe Machining is included as well.

All the relevant information can be found at <https://www.travers.com/scholarship/a/scholarship/>.

**Participants must meet the following criteria:**

- Enrolled at an accredited high school, college, or university in the U.S.
- Enrolled at the graduate level, undergraduate level or your final year of high school
- Aged seventeen (17) years or older
- Enrolled or completed metalworking classes in the last calendar year
- Applications must be received by December 31, 2018

There is an essay (3 paragraphs) and a project review required. This likely means that most students will not take the time which

Thanks for passing it along to your students.
