By that time, material and assignments will be available for students to access and start working. All assignments will be due at the end of the week they are assigned on Friday, by 3:05pm unless otherwise noted.**

Monday, April 6-Friday, April 10

- ★ Read the Antebellum Readings (there are 5 total, you need to read all of them)
- ★ Complete all 3 worksheets regarding the different readings
- ★ Once you have completed all 3 worksheets, you need to share them with me by hitting the blue share button in the upper right hand corner of the screen in the document. Just type my name in the bar and my email will appear-choose it and click "send"
 - You may submit your assignment ANY TIME you finish it. You don't have to wait until Friday!

Be sure and let me know if you have any troubles accessing assignments or submitting them. Remember that my office hours are each school day from 10am-noon! Good luck!!

Also, I miss you guys something fierce! We will get through this and I promise to try my very hardest not to make things terrible for you!
