

YOUR VOTE, YOUR VOICE

OUR CHILDREN

- **The importance of the 2016 primary and general elections for the future of Mulvane students and Kansas cannot be overstated.**
- **The people we elect will chart the course for our state, making decisions that will impact Kansas public education.**
- **Primary elections in Kansas are especially important because they can often determine the final election outcomes.**
- **In years past, Mulvane voter turnout rates have been low. We need you to be involved and engaged in the election process and help shape the future of public education in our community and across the state for years to come.**

It's **your** vote. It's **your** voice. Use it.
