

Public Notice

School districts in Kansas by both state and federal law must provide a free and appropriate education to all students within the school district boundaries.

In order to appropriately accommodate the needs of students with disabilities, the Mulvane school system is proposing to adopt the State Regulations for Special Education as approved by the Kansas State Board of Education, effective July 1, 2008.

The Local Education Application required under Part B of the Individuals with Disabilities Act (IDEA) including assurances, procedures and budget application is available to the public for review and comment for the next thirty days following this publication in the Special Education Office at 628 E. Mulvane, PO Box 130 in Mulvane. You may call Shay Daake at 777-0256 if you have any questions.

CHILD FIND NOTICE

SEARCH TO FIND CHILDREN IN NEED OF SPECIAL EDUCATION

The USD 263 Board of Education is seeking to identify every student from birth through age 21 who lives within the boundaries of Mulvane Public Schools who has developmental delays or may be in need of special education. If you have a child or know of a child who you think has developmental delays or special needs, contact:

Deana Waltrip, Principal
Munson Primary
1007 Westview
Mulvane, KS
(316)777-0151

Areas of special education include: Birth through age two (infant-toddler), early childhood-disability, developmentally delayed, visual impairments including blindness, hearing impairments including deafness, deaf-blindness, autism, traumatic brain injury, emotional disturbance, special learning disabilities, mental retardation, multiple disabilities, orthopedic impairments, other health impairments, speech or language impairment, and gifted.

Parents are advised that all special education services are designed to offer the utmost in educational opportunities for each qualifying student, as well as to provide assistance and support in the areas of physical, mental, emotional, and social growth. State and federal laws are followed in providing each student with a free appropriate public education in the least restrictive environment. Call (316)777-0151 if you have a child or know of a child who may need special education services.
