## Healthcare Access — Anytime, Anywhere, Anyone

Offers 24/7 access to its proprietary nationwide network of U.S. licensed physicians for telephone and secure e-mail medical consultations. Physicians provide specific answers to medical questions and advice regarding non-emergency, routine medical conditions. Physicians discuss symptoms, recommend treatment options, diagnose many common conditions, and prescribe medication when appropriate. You can connect via telephone or e-mail, free of charge, with our network of physicians for informational or diagnostic consultation.

- 70% of in-office doctor's visits could have been handled by a phone call or e-mail according to research conducted by the Wellness Council of America (2008)
- Save money by avoiding unnecessary doctor's office or ER visits.
- Never wait for an appointment or sit in the doctor's office again.
- Prescriptions phoned into your local pharmacy for pickup.
