Mulvane High School and Mulvane Middle School Athletic Departments have partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms digitally once per year and after any update.

Click on the Parent Playbook (attached) to get started in FinalForms. If you require any support during the process, scroll to the page bottom-right and click "Get Help".

We are asking that ALL parents of athletes use FinalForms.

Please register at: <https://mulvane-ks.finalforms.com/> and follow the prompts to create your account (or update your account from the previous year), create your students account and sign your forms **after May 1, 2024 be sure to use your students grade level for 2024-2025.**

Once you have completed both the parent and student registrations, you will print out the **doctors portion of the physical** to take to your appointment. Make sure you and your students sign the paper copies. After the physical has been completed by the physician, you will upload a copy to your students FinalForms account **or** return the original of the physical to MHS (9-12) or MMS (7-8) and we will upload to your account.

Thank you for your assistance in streamlining our paperwork processes at Mulvane Schools.
