Student-Led Parent Teacher Conferences

Student-Led Conferences will be this week.

March 8th (4 - 7:30 pm)

March 10th (4 - 7:30 pm)

March 11th (7:30 am - 11 am & 12 pm - 3 pm)

We have had a lot of questions about what this might look like.

Please remember the conference times are by appointment only and your student must be present with you.

For example:

- Your 15-minute student-led conference would be from 4:00 - 4:15. This would be with your student and their advisement teacher. In the next 20 min, 4:15 - 4:35, you will have time to speak with your student's other teachers if you wish.
- 4:35 - 4:50, the next round of Student-Led Conference begins.

Here is a video highlighting the benefits and process of student-led conferences as shared by another school district. This is an example of a student-led conference after one year, we are just starting our implementation this fall.

Here is an example of the [Student-led Conference Scoring Sheet](#) which will be completed by the parent and the Advisement teacher at the end of the Student-led Conference.

CKH Parent Survey

As we are closing in on our first year with implementing Capturing Kids' Hearts culture at Mulvane Middle School, we would love to know how you as a parent think we are doing. There is a very short, anonymous, 5 question survey that we would be honored to have you fill out.

22/23 Enrollment

As we are preparing for the 2022-23 school year, we will be sharing enrollment information with the students this week. We will also have that information available for parents during the student-led conferences.

Book Fair

Our Spring Book Fair will be open during our Student-Led Conferences. Make sure to stop by the MMS Library and grab some new books!

March 8th (4 - 7:30 pm)

March 10th (4 - 7:30 pm)

March 11th (7:30 am - 11 am & 12 pm - 3 pm)

Wildcat University

Wildcat University will provide extended learning opportunities focused on targeted academics to support students going into the 2022-23 school year!

Water Fountains

Great news, water fountains have been turned back on! Students still have access to the bottle fillers that are attached to the fountains. If a student is going to bring a water bottle to school, please remember it must be see-through.

Thank you!
