Hi Families,

I'm so excited to welcome our K-State School Counseling Intern, Taylor Best, to Munson! Ms. Best will be interning at Munson for the semester, and will graduate from KSU in May with her Master's Degree in School Counseling and Student Development. Ms. Best will provide individual and small group counseling, with parent permission, as well as provide classroom guidance lessons.

Ms. Best and Mrs. Jacobs

The kiddos and staff at MPS have loved having her here and have made her feel so welcome already! If you have any questions, please email myself (above) or Ms. Best at tbest@usd263.org.

Thank you!

NATIONAL SCHOOL COUNSELING WEEK • FEB. 4-8, 2019

National School Counseling Week, sponsored by the American School Counselor Association (ASCA), highlights the unique contribution of school counselors within U.S. school systems and the impact they can have in helping students achieve school success and plan for a career. It's also a time for school counselors to say THANK YOU to families, administrators, and staff who team with us and support us in our role as school counselor at MPS!

Thank you all!

Love,

Mrs. Jacobs and Ms. Best
