The screenshot shows the Securly Parent Login page. On the left, there is a blue banner with a smartphone displaying an activity feed and text about downloading the Home app. The main content area is white and contains the 'securlyhome' logo, the title 'Parent Login', and three input fields: 'Your Registered Email' (containing 'name@email.com'), 'Password' (containing 'your password'), and a 'Forgot password?' link. Below the password field is a blue 'Login' button and a link for 'or Get Instant Access'. Red arrows and letters are overlaid on the page to indicate the login process: a red arrow with the number '1' points to the email field, a red arrow with the number '2' points to the password field, a red arrow with the number '3' points to the 'Login' button, and a red arrow with the letter 'A' points to the 'or Get Instant Access' link.

The screenshot displays the Securly Parent Portal interface. At the top, there is a search bar and a filter dropdown set to 'All Activities'. The main content area shows a list of recent activities under the 'Recent' tab, including blocked sites (etsy.com) and search history. A red arrow points to the 'Account' link in the bottom left corner of the page.
